To Whom it May Concern:

The individual who delivered this letter to you is a part of our 501(c)(3) non profit organization, Rize All. Our mission is to promote a better community through the arts, which we have been accomplishing primarily through our Rize & Dance Afterschool Program. This innovative program has taught dance, leadership, and life skills to more than 1,000 1st-12th grade students throughout the Sacramento and Elk Grove area. But now we need your help!

In efforts to expand our reach and effect in the community we have opened a Rize All Arts Center located at 2745 Elk Grove blvd ste 270 & 280, Elk Grove. The Rize All Arts Center will be an epicenter for dance and arts in our community. Students will grow through their artistic passions, opportunities in the community, and through leadership and teamwork through their studies.

We are seeking donations from local businesses that serve the communities of our students and their families. All donations are tax deductible and make your business eligible for the Sponsor acknowledgment on signs and programs at the event, as well as on our website www.RizeAll.com. Donations can help students through scholarships or through sponsoring our Recital held at Cosumnes Oaks High School in May and December.

We greatly appreciate your support and we know that every student that benefits from your donation will be extremely thankful as well.

Please contact Director Dane San Pedro, Programs Director Amanda Newsum, or Associate Director Daisy Magsuci at (916)538-3255 or dance@rizeall.com to answer any questions.

Thank you in advanced for your generosity and support.
