

Afterschool Dance Instructor

Description and Requirements:

A Rize All Afterschool Dance Instructor is someone who loves to educate, build, and grow our community with skilled, knowledgeable, passionate individuals. They are someone who most likely has some experience working with students and teaching them dance and enjoys it. They must be someone who is able to work in the US, 18 years or older, and will be able to provide all necessary identification. An Instructor is someone who has some dance experience and that will be able to learn and teach Rize All curriculum and lesson plans. They can fulfill all the duties listed below with the training provided and become proficient at them quickly. They are engaging, positive educators that will allow students to continue growing. This work is mobile and at different school sites so reliable transportation is important to complete work. They must also have good, efficient communication skills to adults and youth and be reliable and timely in communicating. This is a Part Time paid position starting at \$15 an hour or similar current market value depending on qualifications.

Duties:

Most of the Afterschool Dance Instructor's time is spent teaching dance classes on one or multiple school sites. You will not be going to more than one school site in one day and if you do there will be sufficient time and compensation to get to each school site. Materials needed to teach will be on site and ready for use. You will go through trainings to be ready to teach class.

- Arrive to school site with enough time to be ready to teach class on time
- Follow attire and conduct standards within Rize All
- Implement ongoing standard fulfilling dance curriculum lesson plans
- Attend all assigned classes, meetings, events, and performances
- Teach a group of up to 25 students keeping them engaged, on task, and growing in dance
- Manage an Assistant Instructor to help implement the dance curriculum and instruction
- Continue learning and growing their own dance and teaching knowledge and experience
- Utilize and maintain electronic materials for on site use during class
- Relate to students to create a safe, nurturing learning environment
- Develop positive relationships with staff, students, teachers, parents, & others
- Be a leader and positive role model to all staff, students, teachers, parents, & others

There are some tasks done not on site that will need to be completed on time.

- Complete all forms including time sheets, injury forms, and progress reports on time
- Attend all staff meetings, fundraisers, etc and stay up to date on important program information
- Prepare performance pieces equal to the students level and knowledge to showcase their skills
